John Tyler Community College

- A feature of the JTCC LiveSafe app -

From mental health to suspicious activity, help keep our campus safe by letting JTCC Security know what you see.

From the app home, tap "Report Tips" and select the tip type you want to submit to JTCC Security.

Enter in the info you want to share. Add audio, photos, or a video clip. You can also send it anonymously.

Once you tap "Send Tip", JTCC Security may start a live chat with you to ensure you and others are okay.
