Background
John Tyler Community College is a two-year, public institution of higher education and is the fifth largest of the 23 community colleges in Virginia. It is named after John Tyler, the 10th president of the United States of America.

Service Region
The College primarily serves the residents of Amelia, Charles City, Chesterfield, Colonial Heights, Dinwiddie, Hopewell, Petersburg, Prince George, Surry and Sussex.

Mission
John Tyler Community College provides quality educational opportunities that inspire student success and community vitality.

Vision
A success story for every student.

Accreditations
John Tyler Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to offer associate degrees, certificates and career studies certificates.

The College’s Precision Machining Technology Program is accredited by the National Institute for Metalworking Skills (NIMS).

The College’s Nursing Program is approved by the Virginia Board of Nursing and accredited by the National League for Nursing Accrediting Commission.

The Funeral Services Program at John Tyler Community College is accredited by the American Board of Funeral Service Education (ABFSE) and approved by the State Board of Funeral Directors and Embalmers.

John Tyler Community College’s Emergency Medical Services Programs are approved by the Virginia Office of Emergency Medical Services.

Number of Students
During the 2010–2011 academic year, the College served 14,522 students.

John Tyler Community College’s enrollment grew 9.4% from the 2009-2010 academic year to the 2010-2011 academic year, making it the third fastest growing college in the Virginia Community College System.

Faculty and Staff
About 750 John Tyler Community College faculty and staff serve students each semester.

Programs of Study
17 Associate Degrees
8 Certificates
37 Career Studies Certificates

Guaranteed Admissions Agreements
The College has guaranteed admissions agreements with more than 25 four-year public and private colleges and universities in Virginia.

Dual Enrollment Courses
Through dual enrollment, the College offers high school students the opportunity to take courses that earn both high school and college credit. Dual enrollment allows students to save money on their college education and puts them on a faster track to earning their degree. During the 2010-2011 academic year, John Tyler offered 434 dual enrollment courses, serving more than 2,500 students.

Tuition
Tuition and mandatory fees at John Tyler Community College are about 1/3 of those charged by four-year public institutions in Virginia.
**Workforce Development**  
John Tyler Community College serves 15,000 non-credit students and more than 1,000 companies through its workforce development arm – the Community College Workforce Alliance (CCWA). CCWA, a partnership between the two community colleges in Richmond, provides superior workforce services and training throughout the Richmond Metro area.

**Commitment to the Environment**  
John Tyler was awarded Leadership in Energy and Environmental Design (LEED) Silver Certification for its Science Building, making it the first community college in Virginia to receive such recognition.
