SUCCESS STARTS HERE

John Tyler Community College
At John Tyler Community College, these are not just words. **This is our vision.** Every day our faculty, staff and administration help students just like you realize their goals – whatever those goals may be. It is up to you to define your version of success. It is up to us to help you achieve it.

**Meeting Your Needs**
You’re unique. So, you want a college that provides programs, courses, scheduling and services that will meet your specific needs. We get it. We have an open-door policy, making it possible for anyone interested in college to receive an education. Our programs of study are diverse and range from two-year degrees to career studies certificates that can be earned in a few semesters. Our class schedule – featuring day, evening, weekend, hybrid and online courses – is designed to give you flexibility to balance family, work and classes. We also know that money matters, so we work hard to keep our tuition low. Tuition and fees at John Tyler run about a third of what is charged at a Virginia public four-year college or university.

MORE ONLINE Check out our classes and scheduling options at [www.jtcc.edu/schedule](http://www.jtcc.edu/schedule).

**Interested in Transferring?**
If you know you want to eventually earn a bachelor’s degree, then you’ll want to explore one of John Tyler Community College’s transfer degree programs. These programs are designed to cover many of the courses a freshman and sophomore would take at a four-year college or university. In addition, guaranteed transfer agreements make it easy for John Tyler graduates to seamlessly continue their education at more than 25 four-year colleges and universities in Virginia.

MORE ONLINE Learn more about our transfer degrees at [www.jtcc.edu/academics](http://www.jtcc.edu/academics). Plus, find out which colleges and universities we have guaranteed transfer agreements with at [www.jtcc.edu/transfer](http://www.jtcc.edu/transfer).
Success is following your dreams no matter the circumstances or obstacles.

Looking for an Education That Will Help You Get a Job?
John Tyler can help you gear up for a new career by teaching you the skills needed to be competitive in today’s job market. With more than 50 programs to choose from, you’ll be able to find a field that meets your interests.

Visit www.jtcc.edu/academics to find out about programs designed to train you for immediate employment.

Our Success
At John Tyler Community College, we pride ourselves on understanding the needs of our students and our community. But, there is more to John Tyler than our two campuses, program choices and affordable tuition. What really defines us is the hard-working, energetic and interesting faculty, staff, students, alumni and community supporters who, each and every day, make John Tyler Community College a success.

Get started now. Visit www.jtcc.edu, click on Apply Now and fill out an Application of Admission. There is no fee to apply.

Model Students
The people featured in this publication are John Tyler students, faculty and staff.
Whether you are a new or returning student, John Tyler offers numerous resources to help you succeed.

Admissions and Records
Admissions and Records processes applications for admission and helps students register for classes. The office also assists current and former students with transcript requests, graduation documentation and other tasks related to records at the College.

Teaching is risky business. When each student’s success is the priority, I can’t count on last year’s or last semester’s strategies; just like my students, I have to try new things, to fail and succeed, and to learn from both. It’s constant innovation - and I love that.

John Tyler Community College has helped me realize that no matter how old you are or where you are in life, it’s never too late to make your dreams a reality. You just have to believe in your dream, and John Tyler will help you achieve it.
