JTCC Nursing Program  
Notice to Students of Program Policy Change

Effective with the start of the fall 2012 academic year the JTCC nursing program announces the following policy change that affects all students currently enrolled and all students enrolling into the John Tyler Community College nursing program:

Students that opt out of the program for any duration MUST complete a criminal background check and drug screen before being allowed to re-enroll in the nursing program. This is a clinical agency requirement and must be successfully completed before the student may continue.

Deborah Ulmer, RN, PhD  
Dean of Nursing and Health Sciences
