I. OVERVIEW

II. AGREEMENT

A. Definitions

"Transfer-oriented associate degrees" refers to VCCS Associate of Arts, Associate of Science, and Associate of Arts and Sciences degrees. This includes VCCS General Studies associate degrees that have been approved by the State Council of Higher Education for Virginia (SCHEV) as transfer degrees according to the State Committee on Transfer (see website at: http://www.schev.edu/Students/GeneralStudiesWebText.pdf).

"GAA student" refers to a student who graduates from a transfer-oriented associate degree program at a Virginia community college with a cumulative grade point average (GPA) of 2.5 or higher on a four-point scale and who intends to transfer to ECPI.

"GAA Contact" refers to staff members designated by each Virginia community college and by ECPI who work with prospective GAA students.

B. Admissions Policies

1. GAA students will be admitted into a specific ECPI program of study that aligns with the VCCS’s associate’s degree program. Students may contact an ECPI admission representative to discuss the appropriate program of study at ECPI (www.ecpi.edu/vccs). If students change their program of study at ECPI, credits earned at the community college will be reviewed for applicability to a new program. All student will have at least 60 credits transfer and their lower level general education requirements met. However students that change their program of study at ECPI may be required to complete additional upper-level or pre-requisite requirements to complete the baccalaureate

2. GAA students must graduate with an associate’s degree, apply to a related degree program at ECPI, and have a VCCS cumulative GPA of at least 2.5 to be guaranteed admission to ECPI. The lower grade(s) of repeated courses are not calculated into the cumulative GPA. Grades earned from non-VCCS institutions will not be calculated in the cumulative GPA. Once admitted, students are subject to all other policies and procedures, including residency requirements, as outlined in the ECPI catalog.

3. GAA students admitted under the terms of this agreement will be exempted from paying the ECPI application fee. To begin the application process, students should contact an admissions representative at www.ecpi.edu/vccs.

4. ECPI offers military scholarships for GAA students who are active duty military personnel.

5. When GAA students matriculate to ECPI, they will be afforded all privileges and benefits available to other students currently enrolled, to include financial aid, scholarships, and student services.

C. Acceptance and Application of Credits

1. Under this agreement, all courses applied to the associate’s degree program will be articulated into the bachelor’s program, not to exceed 75 semester credit hours.

2. Excluding those with grades below a C, all courses within the VCCS degree program will be transferred in, allowing students to complete their related degree program at ECPI in about 18 months of full-time study.

3. GAA students will be considered to have met all lower division general education requirements at ECPI.

4. No distinction will be made by ECPI regarding college courses applicable to the transfer associate degree that are taken through dual enrollment arrangements with high schools. Completion of the associate degree through dual enrollment will not preclude the student from eligibility under this agreement.

5. If GAA students do not have the prerequisites for a 300 or 400 level course at ECPI, they may be required to take the prerequisite course before taking the upper division course.

6. ECPI will evaluate courses/credits earned through Advanced Placement (AP), College-Level Examination Program (CLEP), and other testing programs. ECPI also will evaluate courses/credits earned at other institutions outside of the VCCS. Students seeking credit for these courses must provide the University with official transcripts for evaluation.

7. ECPI will inform the student at the time of enrollment if there are additional course requirements beyond the 120 minimum semester hours needed for graduation. Such courses will be specified in writing.

8. The curriculum in effect at the time a student first enrolls at a Virginia community college will be honored by ECPI if the student completes an associate’s degree and successfully transfers to ECPI within 5 years of that first enrollment at VCCS.

9. Applicants who apply to ECPI University under this agreement within 6 months of completing at a VCCS institution are eligible to apply for the VCCS transfer scholarship to be awarded in the amount of $500 per semester, for up to $2000 total.
