Credits Earned in Non-traditional Education/Training Programs

Military-Related Experiences

Military Service Courses:
Credit will be granted for military service school courses and skills if the awarding of credit is recommended in the current edition of the American Council on Education publication, *A Guide to the Evaluation of Educational Experiences in the Armed Services* and approved by the academic dean of the student’s chosen curriculum. The following information must be obtained:

a. Full and correct title of course;
b. Location of training;
c. Length of course in weeks;
d. Exact dates of attendance; and
e. Branch of Service that gave the course.

Upon admission to the college, active duty service members and veterans may request official transcripts of their service connected course work through the Joint Services Transcript (JST) repository available to those who served in the Army, Navy, Marines and Coast Guard. Those who served in the Air Force will need to obtain transcripts through the Community College of the Air Force. In accordance with the guidelines set forth by the American Council on Education, as well as the recommendations of the appropriate division dean, credit will be awarded for course work and occupations that are applicable to the curriculum. Transcripts may be obtained through the Joint Services Transcript website at [https://jst.doded.mil/](https://jst.doded.mil/).

Military service courses and skills should be equivalent to JTCC courses and will be used as the student’s program determines. Military service credit in occupational-technical areas that is ten or more years old and is to be applied toward graduation in the occupational-technical area must be approved by the appropriate academic dean. Students who have completed basic training, regardless of the date of military experience, may receive 2 PED elective credits.

Community College of the Air Force:
Air Force personnel, both active and veteran, must submit a CCAF (Community College of the Air Force) transcript. Transcripts may be obtained from CCAF/RRR, 130 West Maxwell Blvd., Maxwell Air Force Base, AL 36112-6613. CCAF will not accept fax requests for transcripts.
